2.47

A hand-drawn diagram of a rectangular area, possibly a plot of land or a field, with various dimensions and internal measurements. The overall width is labeled as 1.80 and the overall height as 2.00. The diagram is divided into several sections by lines, with specific measurements labeled in each section. The top section has a width of 1.91. The bottom section has a width of 1.12. The right side has a height of 1.51. The left side has a height of 1.89. The bottom-left corner has a measurement of 1.12. The bottom-right corner has a measurement of 1.51. The top-right corner has a measurement of 1.51. The bottom-right corner has a measurement of 1.51. The bottom-right corner has a measurement of 1.51. The bottom-right corner has a measurement of 1.51.

FACHADA PONTE

A hand-drawn technical sketch of a structural section, likely a wall or foundation, showing various dimensions and labels. The sketch is oriented vertically with a horizontal line at the top and bottom. Key features include:

- A vertical dimension of 4.00 on the left side, spanning from the bottom to the top of a section.
- A vertical dimension of 2.10 on the left side, spanning from the bottom to a horizontal line.
- A vertical dimension of 4.89 on the left side, spanning from a horizontal line to the top.
- A horizontal dimension of 2.84 on the right side, spanning from a vertical line to the right edge.
- A horizontal dimension of 3.59 on the right side, spanning from a vertical line to the right edge.
- A horizontal dimension of 1.40 on the right side, spanning from a vertical line to the right edge.
- A horizontal dimension of 6.20 on the right side, spanning from a vertical line to the right edge.
- An angle of 85° is indicated at the bottom left corner, between a vertical line and a diagonal line.
